"Heart Beat"

Written and directed by John Byrum ("Inserts")

Starring Nick Nolte, Sissy Spacek and John Heard, with Ray Sharkey.

[Quoting from the Orion/Warner Bros. production notes:] *Neal Cassady (Nolte) was an ex-con with a lusty sexual appetite and total disregard for society's ground rules when he met the shy, struggling Jack Kerouac (Heard) in New York in the late 1940s. They were among what Kerouac called "a generation of furtives" who shared a disdain for "all the forms, all the conventions of the world." He would someday define that spirit in a single word, "beat" which would label a lifestyle, then be perverted into a caricature of Kerouac's meaning (as Kerouac himself would be). But at the time there were no labels, just a mutual attraction between two people who found in each other what they found missing in themselves. Cassady lived the way Kerouac longed to write. Kerouac's words echoed Cassady's free spirit.*

Setting out across the country by thumb and car—their adventures became the basis for Kerouac's "On the Road." It may be apocryphal that the book, described by one critic as "the longest sentence in the English language," was compulsively typed on a roll of toilet tissue, but there was never any question that its hero, Dean Moriarty, was Neal Cassady.

During their travels, the two friends met and fell in love with art student Carolyn Robinson, a product of an ultra-conservative Southern family and an ultra-liberal Bennington education. Cassady married her. Kerouac stayed on the road. By the time they came together again in San Francisco eight years later, Cassady was choking on the American Dream, Carolyn was trying desperately to cope with her husband's pinball bounces between booze and domesticity, and Kerouac was still an unpublished author. Kerouac moved into the tract house where the Cassadys lived with their three children. And the two friends, who'd shared virtually everything else, now shared the same woman. "I don't think we did anything wrong," Carolyn Cassady would later remark. "We just did it first."

"Heartbeat" focuses on the relationship between these three individuals out of sync with the larger society, taking dramatic license. The look of the film is often stunning, as *Variety* notes: "Together, cinematographer Laszlo Kovacs and production designer Jack Fisk have wrought wonders, offering a detailed, lovely recreations of the late 40s and the succeeding decade."

1947.

Directed by King Vidor; produced by David O. Selznick; screenplay by Selznick.

Narrated by Orson Welles. With Jennifer Jones, Joseph Cotten, Gregory Peck, Lionel Barrymore, Lillian Gish, Walter Huston, Herbert Marshall, Charles Bickford, Joan Tetzel and Harry Carey.

Duel in the Sun, produced by David O. Selznick, frequently reveals Vidor's unmistakable signature, despite Selznick's reputation for exercising absolute control over his projects on the one hand and a confused and crowded list of directorial contributions on the other. Epic melodrama in theme and style, a kind of Western Gotterdammerung, *Duel* laces its tale of conflicting historical and individual identity with elements of film noir and Romantic mythology. Pearl Chavez, child of a fallen Southern gentleman and a primitive woman of color (red), reflects her divided heritage in her doomed and passionate love for a cattle baron's sons. While railroad tracks break and define the flow of the Western landscape, Vidor's noble savage must choose between the past and the future, between a man whose unrestrained appetite for life serves the individual ego (Peck) and one who subordinates passion to serve order and progress (Cotten). As cinematic and uniquely American ballad, the film memorializes the garden's last wild blooming before the advent of the machine. This multimillion dollar super-production, Selznick's most lavish attempt to outdo his 1939 *Gone with the Wind*, remains one of the most compelling examples of Hollywood grandiose. It is also the first of two remarkable collaborations between Vidor and the fiercely enigmatic Jennifer Jones (his wife).

"The Wrong Box "

Directed and produced by Bryan Forbes; screenplay by Larry Gelbart and Burt Shevelove, based on the novel by Robert Louis Stevenson and Lloyd Osbourne. Music by John Barry. With John Mills, Ralph Richardson, Michael Caine, Peter Cook, Dudley Moore, Peter Sellers, Tony Hancock, Nanette Newman, Wilfred Lawson.

Bryan Forbes, who has directed such sombre gems as *King Rat* and *Seance on a Wet Afternoon*, proves himself remarkably adept at broad comedy. **The Wrong Box** is based on a novel by Robert Louis Stevenson and is set in the golden afternoon of the Victorian era, when the Finsbury brothers (John Mills and Ralph Richardson) struggle for control of a rich inheritance. The two brothers and their respective relatives plot busily against each other, for only the survivor can inherit the money. Bizarre assassination plots are hatched, absurd chases through Victorian London take place and a rich gallery of rogues and fools is paraded for our enjoyment. Peter Cook, Dudley Moore and Peter Sellers are among the character actors who flounder about in a greed-induced frenzy, while Michael Caine plays the almost normal nephew who finds himself caught up in the madness.

IN PERSON: LARRY GELBART.

Following the screening, co-scenarist Larry Gelbart will chat with the audience about the film, and perhaps will reveal how a nice American boy came to write such a terribly English comedy.

Mr. Gelbart recently has been deeply involved in creating a new television comedy series, *United States*, which is about "the state of being united." *United States* proposes to be a contemporary and realistic look at modern marriage and parenthood, dealing with themes of substance—one episode is called "Lysdexia is no Joek" (sic). And we'd expect no less from the man who brought *M*A*S*H* to television.

Of course, you all know of Larry Gelbart from *Oh, God*, *Sly Fox*, and *A Funny Thing Happened on the Way to the Forum*, but how many of you remember *The Notorious Landlady*?

Highlights

NEWS AND PUBLIC AFFAIRS

As of mid-January, the Late Evening News changes its name to the Late Night News. It also begins a gradual change from a 25-minute RE-broadcast to a mostly live newscast, incorporating fresh material assembled by the late night news crew. If you'd like to help in this new endeavor (Monday through Thursday, 11:30 p.m.), contact Richard Mahler or Bob Aldrich.

Bilingual (Spanish and English) public affairs programming expands in February, with *La Vida Latina* moving from Monday to Thursday evenings. Join hosts David Sandoval and Luis Torres in their new time slot beginning February 7 at 8:00 p.m. A reminder—the news and public affairs department is especially interested in hearing from new bilingual contributors to the Open Journal segment, which airs between 6:45 and 7:30 p.m. The national news magazine, *En Foque Nacional*, begins at 7:30 p.m. It will also be rebroadcast on Saturday afternoons at 5:30 p.m.

February's revised Monday evening schedule opens a new half-hour for Open Journal, 7:00 p.m., and moves Sam Kushner's *Labor Scene* to 7:30 p.m. A new program debuts at 8:00 p.m. Mondays: it focuses on Black History, so it is fitting that *Family Tree* arrive during Black History Month. Producer Sylvester Rivers includes examinations of Black Language and the Black Film Industry in this month's topics.

LIVE DRAMA & CULTURAL AFFAIRS DEPARTMENT

Los Angeles Theater of the Ear (L.A.T.E.) presents two live radiodramas during this month-and-a-half:

In January, on Wednesday the 30th, we offer "APOLOGY FOR DOUBT" by Ernst Mesiter, and in February, on Wednesday the 27th, "WHAT OF THE NIGHT," by William Wintersole, an adaptation of Djuna Barnes' "Nightwood." Please check individual listings for more details.

Bill Hunt, who has been enriching our Cultural Affairs department for almost two years, will take a leave of absence to return to work with his old friends of the Provisional Theater. We know his absence will be keenly felt, both in the halls of KPFK and over the air. Bill will continue to come around and help us out, in a lesser capacity. So you'll no doubt hear his familiar voice from time to time in readings, dramatic productions, and the like.

LIVE MUSIC FROM STUDIO Z

Carl Stone's Imaginary Landscape offers a live concert by Jon Gibson: Music for Acoustic and Amplified Winds. Gibson is a well-known composer and performer in new music, both in the US and in Europe. You are invited to attend this solo performance on Saturday, February 9, at 10:00 p.m. See listings for details.

ZBS RETURNS TO KPFK!

After what must seem like a very long absence, the folks who brought you *The Fourth Tower of Inverness*, *Moon Over Morocco* and most recently *Stars N' Stuff*, have surfaced again with their latest accomplishment: *The Incredible Adventures of Jack Flanders*. The group's works have always created a stir of interest in KPFK listeners, and have even made the transition from after-midnight to afternoon, a difficult barrier to leap. The night people get to sample the new series first, on Tuesday/Wednesdays after midnight. Day people can catch up by tuning to "Eclectica" on Wednesdays in February (beginning the 20th) for a reprise of the old *Fourth Tower of Inverness Series*.

HAPPY BIRTHDAY, FOLKSCENE!

SINCE FEBRUARY OF 1970, FOLKSCENE HAS PRESENTED TO THE AUDIENCES OF SOUTHERN CALIFORNIA SOME OF THE FINEST PERFORMERS OF TRADITIONAL AND CONTEMPORARY MUSIC. DURING THE PAST DECADE, OVER 500 LIVE GUESTS HAVE COME TO KPFK'S STUDIOS TO PERFORM FOR KPFK LISTENERS.

MANY A REVIEWER HAS REMARKED OVER THE YEARS THAT FOLK MUSIC IS EXTINCT OR EMINATING FROM A TIME WARP. FOLKSCENE BELIEVES IT IS PROVING THEM WRONG. AND NONE OF THIS WOULD HAVE BEEN POSSIBLE WITHOUT ALL THE FRIENDS WHO HAVE GIVEN OF THEIR TIME AND ENERGY. PEOPLE WHO LOVE THE MUSIC AND WANT TO SHARE IT WITH OTHERS. SO HERE IS OUR THANKS TO YOU FOR TEN YEARS OF SUPPORT AND ENCOURAGEMENT. WE WANT TO MAKE SPECIAL MENTION OF THE HELP AND ENCOURAGEMENT OF LOU MERKELSON. WHEREVER YOU ARE, THANK YOU. AND NOW TO ALL THE GENEROUS PERFORMERS WHO HAVE COME FROM ALL OVER THE WORLD TO PERFORM FOR KPFK. TO GOOD FRIENDS WHO WERE OUR SOUND PEOPLE AND ENGINEERS ALL THESE YEARS. FINE FOLKS LIKE MARK SMITH, BILL VESTAL, ALAN KANTER, PETER COLE AND PETER CUTLER. THEY HAVE OVERCOME MANY OBSTACLES TO PRESENT LIVE MUSIC OF THE HIGHEST QUALITY. THANKS GO ALSO TO THE MANY WHO HAVE SUPPORTED THE FOLK MUSIC PROGRAMMING ON KPFK. WITHOUT YOU, THIS WOULD NEVER HAVE BEEN MORE THAN A DREAM.

WITH YOUR HELP, WE WILL MAKE THE COMING YEARS EVEN BETTER.

Report to the Listener

Jim Berland, General Manager

This report is being written in mid-December, just before the onset of Winterfair 79, and things are hectic these days, as you can imagine. I want to take a moment out to report that the holiday season thus far has continued our improved fortune. After the first two months of the fiscal year, we were \$12,000 ahead of last year. If the trends keep up in the rest of December and if the Fair nets \$25,000, we will be in much improved financial condition.

We continue to run a tight ship. We have reduced our debt to less than \$60,000 from \$120,000 three months ago. If the trends keep up this way for another three months we may be able to add back some of the muscle cut last October. This will depend primarily on the returns on renewals.

The subscription system is improved somewhat from the disaster of the November lists. As we are working out the last bugs, it is important that you keep in touch, preferably in writing, about any errors you detect in your record. Address, amount due on bills, expiration date—all of these are important for good treatment of you by us.

If you are due to renew, please use the envelope we will send you and get your money in early. It will help us get through January, February and March —three months in which no on-air fundraising is planned.

On the programming front, we invite your attention to the increased number of live concerts, the 11:30 p.m. news' shift to live instead of rebroadcast, and some public affairs changes in the period following the Evening News. See "Highlights" page 8 for more details.

Sincerely,

Jim Berland

Cage placed a transparent grid over these maps and marked, with the aid of the I CHING, the locations of certain stars on the grid. These were transferred to staves, creating a notation for pitches on a piano. Time proportions are given, but as the composer has observed, "as in travelling through space, circumstances sometimes arise when it is necessary to shift gears and go, as the case may be, faster or slower." Sounds of Feedback

Dear John Breckow,

I have listened to your programs for a few years now, not missing many. And you always have had some amazing music all the time. But just the other night you played some calypso stuff that blew me away. How about a little calypso every week? We LOVE it!!!

no name

Dear Breckow fan,

Please check your listings, as Breckow and some of the other jazz programmers have played musical days. Due to the departure of Dan Wright, Ron Pelletier now hosts "Jazz Omnibus" on Saturday afternoons at 4:00, so John Breckow has moved from Friday 2 a.m. into the Friday evening 8 to 10 p.m. slot. His new title, "Le Jazz Hot & Cool." ("The Big Sleep" seeming inappropriate for an earlier time!) Meantime, "Nocturnal Transmissions" with Ed Hammond and David Rubin take over the 2 a.m. Friday slot every week (from the former every-other-week schedule). If you're thoroughly confused, check your listings, as we suggested at the beginning!

Jane

Where's Al Huebner gone now? I used to catch his very informative, hard-hitting programming on health and science from time to time on the Afternoon Air, but his name and show are no longer to be found there!

D.H.L., Long Beach

Another admonition to check the listings carefully! "The Health Department" has been promoted to prime time, Fridays at 7:00 p.m. And take special note of the fact that Al has actually submitted specific information about his program subjects this time! By so doing, he has gained at least one new listener—me. If you consult the listings and BECAUSE of what you read there you decide to tune in the program, PLEASE let Al and me know—it'll encourage him (and others) to keep getting information into the listings, and make the Folio a more useful tool for you. And more interesting for me to type-set!

Jane

Hurray for bilingual programming!

A Gringa Subscriber
G.E., Venice

The new season of El Teatro de la Unidad begins in February, "En Foque Nacional" is now followed on Thursday evenings with "La Vida Latina" to make a more convenient listening "segue" for those who like Spanish language public affairs, and the news & public affairs staff is very anxious to talk to you if you are bilingual and interested in news and radio.

It's a good thing for us we don't have to pay what KPFK's worth to us! Of course we don't stop with a renewal. Occasional contributions as able.

V.C., Simi Valley

Dear Bureaucratic Dept:

Thanks for the tickets—thanks for the good radio—thanks to your volunteers with a sense of humor.

B.S., Los Angeles

We can't say enough in agreement! We have volunteers here at KPFK who are clearly the difference between survival and disaster, between sanity and the funny farm to the staff. They give us courage, they show us by their example that KPFK is important, more important than some of the things traditionally valued by traditional models in the traditional world. Because here they are, day after day, doing some of the toughest work, for no pay, and complaining FAR less than those of us on staff seem to do!! My heartfelt thanks and total admiration to all of you. We truly couldn't go on without you.

Jane

Dear friend, Carl Stone:

Your weekday programs are marvellous to get up to in the AM. Sometimes I am overslept and miss the start, but with deep regret. My more immediate appeal is this PLEASE! Bring us more, and more, of the 4th Century Chinese Lute! I had a taste of it this morning, at about 7:10 a.m.—it stood me on my head metaphorically! So different than one would imagine—so sonorous—so, so, soul stirring! Do, do, give us all of it that you can glom on to! You are much welcomed in this old bachelor's den.

W.A.K., Ontario

Do you also know about "Morning of the World," Saturdays at 6:00 a.m.? Lois Vierk plays art music of many lands, but thus far has been concentrating on Asia. And Harihar Rao plays music of the sub-continent Saturdays at 7:30 a.m. and Tuesdays at 10:30 p.m. Enjoy.

Jane

During the recent bus strike, this senior/charter film-club member of KPFK got around like so: I held aloft an 8½ X 11 sign that read: SENIOR/RIDE? I had good luck getting lifts; . . . I got talking about a car show on a radio station in Los Angeles that could help you with any car problem. One thing led to another and I gave them a small card with the information about how to tune in to our station on Saturday and take advantage of our excellent services, all for free. This happened about 12 times.

Bus-ridingly yours,
David Seidman

Your individual efforts to introduce KPFK to potential new listeners are VERY important to us! Our promotion budget is infinitesimal, and KPFK has been called "the best kept secret in radio!" Pass it along, and let's blow the secret.

SUBSCRIPTIONS

THE COMPUTER

Our computer is located in Berkeley, which saves us a lot of money but which is inconvenient. We send subscriptions information to the computer twice a month. Around the middle of the month we do the regular Folio label run which returns the Folio labels, bills, renewal letter labels and income statements a few days later. The following week we do a "catch up" Folio label run for payments received late or for corrections processed after the regular run.

Your payment may not go into the computer as quickly as you might think because: payments go to our lockbox at the Terminal Annex Post Office in Los Angeles, then they go to the bank and the bank processes the payments and sends them to us—through the mail. This process often takes more than a week from the time you send your payment. So, if you send your check around the 8th of the month, there's a good chance you should receive the Folio for the following month and you'll also avoid duplicate billing, which has been the scourge of our subscriptions system.

BILL PAYMENT

Always send a bill with your check! A \$15 payment received without a bill or renewal notice might be credited as a Film Club payment, a straight donation to the station or the Expansion Fund. If you send a check in for a pledge payment without a bill, you might be credited for a new subscription and still be billed for your original pledge. Likewise, if you send a payment for a subscription renewal on a company check without a renewal notice, you're likely to receive a new subscription at your company address and still receive a renewal notice for your original subscription. So always be sure to refer to your account by the name on the account and the address at which you receive your Folio.

FIRST CLASS FOLIO MAILING

The Folio goes out by 2nd Class mail, and should take 2-5 days to get most places. Theoretically, 2nd Class gets better handling than our old non-profit permit, but our experience with the Post Office defies theory. First Class mailing is available for \$8 extra per year (pro-rated at 75 cents per month for current subscriptions). This is often the answer for slow mailing areas like Goleta, Santa Barbara, Leucadia, Simi Valley or Pearlblossom—to name just a few. If you live in an area that gets relatively prompt service but want the Folio well before the beginning of the month, then you might want your Folio by 1st Class.

I DIDN'T GET MY FOLIO

The Folio is mailed around the 20th of the month. If you have not received your Folio by the first of the month: (1) check your subscription expiration date on the previous Folio label (upper right hand corner of label). (2) Make sure you haven't moved without notifying us. (3) If you haven't moved and are currently enrolled as a subscriber, contact your local postmaster about delivery. (4) send us a previous Folio label with an explanatory note or call for a new Folio to be sent to you.

MOVING—ADDRESS CHANGES

If you move, your Folio will not be forwarded unless you request 2nd class forwarding from the Post Office. The best way to expedite an address change and assure continued receipt of the Folio is to call the station and ask for subscriptions or leave your name, old zipcode, and new address with the switchboard. There is an address change form on the back page of the Folio that can be used also. Whenever you do an address change with us, always include your account number at the top of your Folio label—that will insure instant handling. Address changes returned to us by the Post Office cost us 25 cents apiece and frequently take a month to be returned to us.

PRISONER SUBSCRIPTIONS

KPFK sends free to any prisoner, upon request, the Folio.

CASSETTE FOLIOS FOR THE PRINT HANDICAPPED

The Folio is available on cassette (returnable) to all print handicapped subscribers. If you would like to receive the Folio in this form, please tear off the address label on the back of the Folio and send it along with a note (or you may call). Within two months, you will be receiving your complete program guide on cassette. The cassettes are returned to us at the end of each month.

EXCHANGE MAILING LISTS

KPFK exchanges and rents its subscriber lists to other organizations of common interest (Channel 28, Ralph Nader, ACLU, etc.). If you don't want to be on exchange mailing lists, send your Folio label to the Subscriptions Department and ask for an "NJ" Code. Your name will then be automatically removed from all mailings except for the Folio and renewal letters.
